

LETTER OF APPRECIATION

We appreciate Unecops for all their efforts in successfully implementing SAP Business One at our organization. We made them our preferred partner for several reasons; for their superior knowledge of our industry, strong domain expertise and their proven track record of successful implementations across industry.

We would like to thank Unecops for delivering us the best solution suiting to our requirements, outstanding quality of services, effective performance and for meeting the level of commitment.

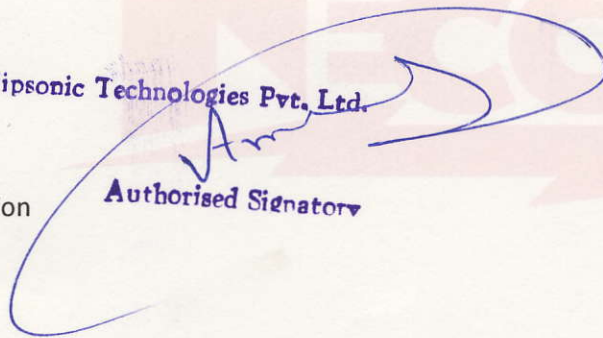

We appreciate the endeavor and cooperation shown by Unecops' team at each level of the project and are glad to have chosen them for the same.
